THE ONLINE BIBLIOGRAPHIC REFERENCES SERVICE

ABOUT US

The Online Bibliographic References Service provides bibliographical assistance and bibliographic research as support activities for the educational process and the scientific research activity.

ACCESS

Access the library online catalogue: <http://opac.biblioteca.ase.ro/opac/> and choose the **English language**. Click on the section **LOGIN**. Login with your **IDM account username and password**. From the main page of your reader account click on the **MY ACCOUNT** section and choose the Messages button. From the Messages - Online forms section, choose the **Request bibliographical assistance form**.

TYPES OF REFERENCES

- online/email references;
- bibliographies on request;
- thematic bibliographies;
- bibliographic information;
- bibliographic research.

Completing the Request for the bibliographical assistance form

The form must contain:

- Your full name and surname;
- Subject / Theme of interest;
- The object of the research: bachelor's thesis, master dissertation, doctoral thesis, academic paper, scientific project, scientific research, information, etc.;
- Name of the Scientific Coordinator - for the bachelor's thesis, master dissertations and doctoral thesis.

To find the most relevant information you can include in your request for bibliographical assistance:

- Contents of the paper;
- Keywords related to your topic;
- Sources consulted previously;
- The language/(s) of the bibliographic references;
- Other information to help in the information retrieval and documentary research processes.

The answer to your request for bibliographic references will be sent in a few working days and will be available in the Inbox section of your reader account.
